Gene,

Are you and Don available at that date and time to discuss the NPS Management Plan update—specifically public participation in the development?

Karen,

Do you want to discuss the recent letter sent by the Agencies on the Jan 30 deadline or anything else related to Oregon CZARA?

Re: CZARA, I'll speak for Jayne to let you know that EPA and NOAA have sent a letter to Dick Pedersen or it will be sent very soon. Jayne, feel free to let the group know of any updates on that.

Lastly, Gene, just FYI that Jayne and Martha were interested in talking with you on the NPS Plan, and I let them know that I was canceling this meeting, so they may be trying to schedule this time with you.

Thanks,
